

This year's 2023 Fall Product Program provides an opportunity to "Own Your Magic" while learning more about the Ocelot.

Getting Your Juliette Started in the 2023 Fall Product Program

Step 1: Complete the 2023 Juliette Fall Product Program Caregiver Agreement:

One caregiver of a Juliette needs to complete their Juliette Fall Product Program Caregiver Agreement form online at: <https://forms.gle/YuJMpRKCz22HHaxp7>

This lets us know who the primary adult responsible for the family's Fall Product Program will be.

Step 2: Complete the 2023-2024 GSNMT Product Program Permission form:

One caregiver of a Juliette needs to complete the 2023-2024 Girl Scout Product Program Girl Permission and Caregiver Responsibility form: <https://forms.gle/yPGU61aZLEbWQZ5N9>

This reviews all the rules for families to follow for Product Program activities.

Step 3: Watch 4 training videos online

The training will be available on Friday, August 18th if you complete the Juliette Caregiver Agreement by Thursday, August 17th. Please make sure you log into the gsLearn system in the MYGS online system before this date so it activates your account. You will be notified via email when the training is available. Families who submit their form after August 17th will gain access to the training on a rolling basis.

Step 4: Check Email

The next business day after completing the training, you will receive an email from GSNMT regarding picking-up materials, next steps, and Juliette specific information.

Step 5: Attend a MagNut Q&A Session

If you have questions after watching the trainings or need additional assistance, you can attend a virtual MagNut Q&A Session with the GSNMT Product Program Team on Zoom. Dates for sessions will be provided in the training and follow-up email. The session is optional but highly recommended.
