## Getting Your Juliette Started in the 2024 Fall Product Program

### **Step 1: Complete the 2024 Juliette Fall Product Program Caregiver Agreement:**

One caregiver of a Juliette needs to complete their Juliette Fall Product Program Caregiver Agreement form online at: <https://forms.gle/bjgKndKnMkdU3qgu8>

This lets us know who the primary adult responsible for the family’s Fall Product Program will be.

### **Step 2: Complete the 2024-2025 GSNMT Product Program Permission form:**

One caregiver of a Juliette needs to complete the 2024-2025 Girl Scout Product Program Girl Permission and Caregiver Responsibility form: <https://forms.gle/U14Xpz9viuTiKqr8>

This reviews all the rules for families to follow for Product Program activities.

### **Step 3: Watch 4 training videos online**

The training will be available on Monday, August 19<sup>th</sup> if you complete the Juliette Caregiver Agreement by Friday, August 16<sup>th</sup>. Please make sure you log into the gsLearn system in the MYGS online system before this date so it activates your account. You will be notified via email when the training is available. Families who submit their form after August 16<sup>th</sup> will gain access to the training on a rolling basis.

### **Step 4: Check Email**

The next business day after completing the training, you will receive an email from GSNMT regarding picking-up materials, next steps, and Juliette specific information.

### **Step 5: Attend a MagNut Q&A Session**

If you have questions after watching the trainings or need additional assistance, you can attend a virtual MagNut Q&A Session with the GSNMT Product Program Team on Zoom. Dates for sessions will be provided in the training and follow-up email. The session is optional but highly recommended.
