Summer CAMP

Guide 2025

Why Camp?

An Appreciation for Nature

At camp, the distraction of technology is eliminated, allowing you to unplug and connect with your fellow campers and the indescribable beauty around you. You'll jump right in and learn while you try something new for the first time. You'll make long lasting memories while you sing songs at a campfire, hike the trails, tell stories under the stars, and make new friends.

Resilience

At camp, you'll learn to overcome challenges and grow strong in a safe and supportive environment. You will make tremendous progress towards being the strong, successful person we know you can be. At camp, you will learn to be persistent when faced with challenges and you'll be encouraged to solve problems. We know you can do it!

Courage

Coming to camp for the first time might be scary at first, but you'll get comfortable quickly. At camp, you'll learn just how capable you are. You'll have countless opportunities to try new things: new foods at mealtime, archery, cooking over a fire, and more. Hands-on learning is so fun! And you won't be alone! Our highly trained Camp Counselors will be by your side to guide you and help you reach your goals.

Decision-Making Skills

Summer camp is the perfect place to learn independence, and a big part of independence is your ability to make your own decisions. At Girl Scout camp, everything is girl-led, meaning you will help decide what your group does throughout the week. By making these decisions for yourself, we can ensure that you get the camp experience that you want that is focused on skills and activities that matter to you!

New Friends

By attending camp, you will have the opportunity to make friends that will last forever. You'll learn what it takes to be a great friend through intentional activities and lessons that promote cooperative learning. Living together and experiencing the magic of camp together, without distractions, creates the perfect setting to form life-long friendships.

Girl Scouts of New Mexico Trails welcomes girls, families, and staff of every race, ethnicity, income level, sexual orientation, and religion, and reflects a spectrum of gender identity.

About Our Camp Properties

With over 1,600 acres in the Sangre de Cristo and Jemez mountains, Camp Elliott Barker and Rancho del Chaparral are a tremendous resource offering endless opportunities for outdoor adventure and fun. Each camp has a special and unique personality that comes to life when girls are present. We are proud to be accredited by the American Camp Association (ACA), a national organization that sets high standards for the health and safety of campers and staff, and the delivery of quality programs.
